

# Molecular Biology Practical Workshop in Nigeria

**Bingham University, Abuja**

**23<sup>rd</sup> to 27<sup>th</sup> January, 2017**

*The **course** will comprise theoretical and practical classes aiming to provide a robust introduction to **molecular biology and gene editing techniques** (e.g. cloning, CRISPR, DNA, RNA and protein methods). The course will also include a **Science Policy Lecture** supported by the European Molecular Biology Organization.*

***Applications** will be selected on the basis of a competitive letter of motivation.*

***Registration and further information:** <http://bit.ly/nigmol2017>
